

Message from the Executive Board

Hello neighbors! Spring is here and the neighborhood is slowly starting to bloom. We're excited to start seeing everyone again after the long winter, and to get back together for some of our annual events! Read more in this edition of our print newsletter.

SSNA Community Survey Results

We started off the year with a survey of 16th Street Heights neighbors asking what's working well about the Neighborhood Association, what we could do differently, and how SSNA can support the community.

More than 40 people responded and shared views on everything from social events to support for older neighbors to traffic and more. Read all the responses at <https://bit.ly/ssna-survey-results>.
